ACE Education Instructions

The answers you select will be saved to your profile however you can change any answer before you click the "Check Answers" button. To move to the next video you must check that you have answered all questions correctly. Answers that are correct will be displayed in green colored text; incorrect answers will be displayed in red colored text. You will need to answer the incorrect questions again and once more check your answers. After clicking the "Next Video" button located at the bottom of this screen you will NOT be able to return to these questions or video. (The video will be available for review when you're done taking the ACE test.)

Note: The answers will not be displayed until the video has run the entire length.

1. Play and watch the entire video.
2. Select an answer for each question.
3. Click the "Check Answers" button to check your answers.
4. If you have any incorrect answers, select a different answer for each incorrect answer you provided, then click "Check Answers" again.
5. When all answers are correct, click the "Next Video" button and continue with the same process for each segment of the test.

he key to becoming

majority of their
ther than teaching
hey want them to

depends on what

play youth sports:

5. Teach your players from where they are, not from where you want them to be.

You will be directed to a page showing you how the test works. Click the "Start Test" button to start your test.

Notes...

Choices for each question will appear at the end of each video.

1. Effective communication is the key to becoming a good coach.

2. A good coach will spend the majority of their time talking to their players, rather than teaching them and showing them what they want them to do.

3. Your players' performance depends on what they ____ not what you ____.

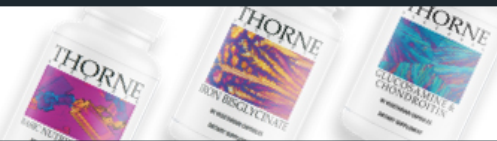

4. The number one reason kids play youth sports:

5. Teach your players from where they are, not from where you want them to be.

6. A "Parenting Meeting" can help you avoid conflicts that may occur during the season.

Review

FREQUENTLY ASKED ACE QUESTIONS

- **How long is my ACE education good for?**
 - The ACE education expires on December 31, 2017 If it was purchased after August 31, 2016.
- **If my ACE education expires, do I have to start over at level one?**
 - No, your ACE education is kept in our database for up to three years after the last certification. Be sure to log in with the same profile.
- **How long does it take to complete my background check?**
 - Anywhere between a few minutes and a few days. If it has been longer than two days, it is likely you were emailed by Protect Youth Sports for additional information. If you have issues on this matter, please contact 405-425-3492.
- **How long does the ACE test take?**
 - Each of the four tests are different lengths, plan for somewhere around 45 minutes to an hour.
- **I completed ACE level four last year, now what?**
 - The material for Level four, also referred to as *Continuing Education*, changes every year. You will need to take this level every year to maintain an active certification status.
- **What level of ACE do I need?**
 - The completion of any ACE level makes you an ACE certified coach regardless of the completed level.
- **How can I print my ACE insurance?**
 - Under the “ACE Education” tab on your HomePlate, click on the “Review” button (see page 10). Click the button of your last completed ACE level. Click the “ACE Insurance Certificate” link on the left side.
